Hiring manager

Re: Programmer/Analyst ID: T177082

Dear Hiring Manager,

Please accept my attached résumé as an application for the position of Programmer/Analyst that was advertised on your Glassdoor on 14 January 2022. I have an Advanced College Diploma in Computer Programming and Analysis which will allow me to greatly contribute to the efficiency and quality of your company's programming division

As a recent graduate of George Brown College, I have obtained deep knowledge of the core concepts of programming, analysis and strengthened my problem-solving skills. The program required several group projects which further enhanced my communication skills. My work at George brown college equipped me with great expertise on how to implement effective solutions utilizing programming and databases. In my Barista role at Starbucks, I provided outstanding customer connection. This role allowed me to gain strong interpersonal and customer relationship skills where I was recognized for outstanding efforts in providing quality customer service.

Thank you for considering my resume, I am truly excited about the opportunity to begin my career with KUBRA as I believe I am a perfect candidate for the role, and your company's "Experience Better" mission is what strive to do for myself and for the people around me. I appreciate your time and consideration, and I look forward to an interview with you. Please feel free to contact me at (416) 823 – 0213 or at Farshad.JalaliAmeri@GeorgeBrown.ca.

Respectfully yours,

Farshad Jalali Ameri
